

SAP awards itelligence with gold level partner status in Poland

Warsaw/Bielefeld, August 27, 2009 – SAP Poland awarded itelligence Poland with gold level status. itelligence obtained this highest status in in the SAP® PartnerEdge™ program channel partner track thanks to meeting a set of criteria in the area of SAP solutions sales and market potential development. Polish branch of itelligence is the seventh subsidiary worldwide and the second local office in Central and Eastern Europe to hold this prestigious status.

After just half a year as silver level partner, itelligence Poland reached for the highest – gold level of partnership with SAP. To achieve this itelligence fulfilled a series of requirements of the SAP PartnerEdge program such as: qualifications of SAP sales teams and consultants, customer satisfaction, industry expertise, and education of the market. Since 2007 the partner levels in the SAP PartnerEdge program, award partners for their excellence not only in concluding new commercial transactions, but also for activities building the market potential.

“Difficult times in IT market verify SAP partners as well. We are currently one of the four companies proud of achieving gold level status in Poland. Our results indicate that we belong to the group of the strongest and economic slowdown can only strengthen us. The fact we are now on gold level confirms our strategy to intensify the sales of SAP solution licenses in the small and mid-sized enterprises sector,” says Arnold Nowak, Managing Director in itelligence Sp. z o.o.

Polish branch of itelligence is the seventh subsidiary worldwide and the second branch office in Central and Eastern Europe to hold gold level status. SAP also awarded itelligence with its highest partner level also in the channel programs in Germany, the USA, Switzerland, Great Britain, the Netherlands, and Hungary. itelligence holds other distinguishing partnerships with SAP as well; it is, for example, one of ten companies awarded with a prestigious status of SAP Global Hosting Partner.
