Global Partner Awards Recognize SAP Partners that Made Exemplary Contributions to SAP's Ecosystem

ORLANDO, Fla. — May 12, 2009 — itelligence today announced that they have been awarded a 2009 SAP® Pinnacle Award in the SME Channel Partner (North America) category. SAP Pinnacle Awards were granted to leading SAP partners that have excelled in enhancing the customer experience, addressing critical issues such as accelerating co-innovation and improving return on investment. Winners were selected based on over 300 nominations, twice the amount in 2008, received from partners and SAP employees. itelligence received the award at a special awards ceremony held on the eve of SAPPHIRE® 2009, SAP's international customer conference being held in Orlando, Fla. May 11 – 14.

“The SAP Pinnacle Award has tremendous meaning for itelligence because it validates the success of our strategy and non-stop efforts to deliver the power of SAP to the midmarket,” said Steve Niesman, itelligence U.S. president and CEO. “While extremely pleased with our software revenue and marketing program achievements, we are even more thrilled to have achieved an all-time high in customer satisfaction.
